## EXPERIENCE

### Microsoft

Engineering: Undergraduate Masters Asia Virtual Experience Program

- Here will work on projects that matter and that use your engineering skills and insights to help deliver those projects to market. Microsoft offers a wide range of opportunities across the field of Engineering.

### Grad Connection

Work Ready Virtual Experience Program

- This help in building Work-readiness skills are the behavioural skills that enable students to transition effectively into the world of work, and to rapidly add value to their organisations.

### JP MORGAN CHASE CO.

SOFTWARE DEVELOPER VIRTUAL EXPERIENCE, INTERN

- Throughout the virtual experience, I get familiarized with JPMorgan Chase frameworks and apply your technical skills to a hypothetical request from the firm's trading floor to analyze and visualize data in a new way.

## PROJECTS

### Ignite

(<https://osamai8.github.io/home/>)

A video game discovery platform created with React.js and api from RAWG (the largest video game database).
